ADVANCE

Capsuretinol UHC 2.3% w/v, Syn-coll 2% w/v, Niacinamide 1% w/v,
AC Dermal Moisture Complex PPS 1%w/v, Squalene 1%w/v, Centella Asiatica Extract 1%w/v,
Vitamin E Acetate 0.5%w/v, Hyaluronic Acid 0.3%w/v, Allantoin 0.2%w/v, Bisabolol 0.2%w/v, Argan Oil 3%w/v

Capsuretinol[®] 2.3% equivalent to 0.3% Active Retinol

- » Stable and most effective form of Retinol
- » Controlled release for longer protection & effectiveness (12hrs)
- » High tolerability and safety
- » Needs just one step conversion process to the most active form needs three steps.

Syn-coll[®] 2% (Palmitoyl Tripeptide-5)

- » Reverses visible signs of photo aging in just four weeks
- » TGF-Beta Booster - Lightens fine lines and wrinkles
- » Boosts collagen and protects it from degradation
- » Sculpts face for a more firm and lifted skin appearance with less visible pores

Caprylic Capric Triglyceride, Argan Oil, Niacinamide, AC Dermal Moisture Complex, Hyaluronic Acid

- » Effective Hydration for improved skin elasticity and glow

Centella Asiatica Extract and Stevioside

- » Good venotonic effect
- » Heals the damaged skin
- » Reduces inflammation
- » Restructures skin

Squalene, Allantoin and Bisabolol

- » Soothing and calming effect

Vit E and Butylated Hydroxytoluene

- » Antioxidants for improved skin texture and appearance

Superior Retinol for
Brighter & Youthful Appearance

SERUM **i-Glos™**
ADVANCE

(Epidermosil 5%, Shadownyl 2%, Palmitoyl Tripeptide -5 1%, Ascorbosilane C 1%, Centella Asiatica Extract 1%, Ceramide III 0.5%, Vit E 0.2%, Hyaluronic acid 0.1%)

Shadownyl®

- › Enhances the skin's own capacity to eliminate Heme, the red pigment responsible for the dark colour.
- › Increases the collagen I fiber synthesis which redensify the eye contour area and gives a wrinkle smoothing effect.
- › Reduces inflammation

Palmitoyl Tripeptide-5 & Ceramide-III

- › Reverses visible signs of photo aging
- › Visibly improves facial contours
- › Significantly improves skin firmness & elasticity

Epidermosil® (Silanetriol infused Hyaluronic Acid)

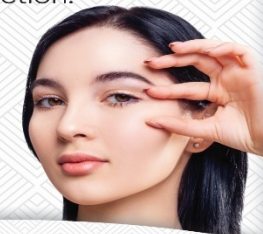

- › Restructures and de-stresses the skin for a younger look

Ascorbosilane C (Ascorbyl Methylsianol Pectinate)

- › Provides Vitamin C into the deep layer of skin for better anti-aging & skin repairing action.

Centella Asiatica Extract

- › Good venotonic effect
- › Heals the damaged skin
- › Reduces inflammation
